

TIME ENTRY USER GUIDE

Connect is Palco’s online portal for Employers and Workers. Connect provides everything a self-directing employer or worker may need right at their fingertips! Accessible 24/7, some features of Connect include the ability to enter time, , ability to track and monitor spending, ability to update your information and ability to access W-2s and paystubs. This user guide will detail every feature in Connect and how to use it. It is important to note that not all features apply to every program. For example, if your program does not allow for vendor payments, you will not see the vendor payment tab. If you have questions, speak to a Palco Customer Support Representative at 1-866-710-0456.

Many web browsers let you change the language of a webpage. This means you can use tools like Palco Connect in your own language. Palco suggests using Google Chrome for all their web pages. If you need help translating a page, check out [this resource](#).

REGISTERING FOR CONNECT

In order to approve timesheets, both the employer and worker must be registered in Palco's Connect application. In order to do this, they must be assigned an ID number by Palco. The ID number is issued via email after the enrollment process is complete. If you need assistance or do not know your ID number, contact the Palco Customer Service Team for assistance.

Follow the steps below to register for Palco Connect.

Step One: Visit the Connect Registration Page:

Step Two: Once here, enter your email address, Palco ID, and Social Security number. These must be the exact email address and social security number that were provided during enrollment and the same Palco ID you obtained after becoming enrolled. If you are having trouble, make sure you have no spaces before or after any of the data elements. If that still does not work, contact Palco to verify that the data in the Palco system is correct.

Step Three: After clicking "Next," the user will be asked to create their own password. Once a password has been created, the user will be registered for Connect.

To use Connect in the future, use the main landing page and log in. <https://connect.palcofirst.com/>

You can change your password at any time by clicking on "Forgot Password" from the main Connect landing page.

SECTION ONE: TIME ENTRY AND SUBMISSIONS

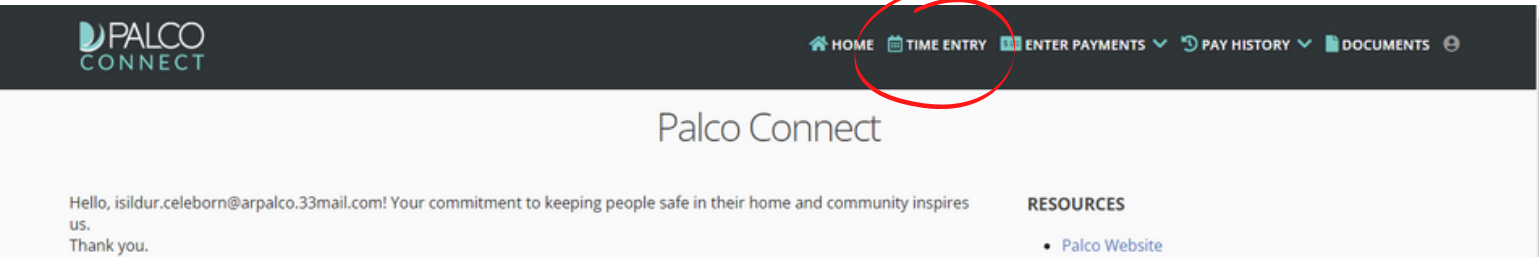

Online Timesheet Submission Workflow

Entering Time In Connect

1. Login to the Connect portal, <https://connect.palcofirst.com/>, with your username and password.
2. At the top of the screen, select the "Time Entry" tab.

3. If you are the employer and have more than one worker, or if you are the worker for more than one participant, select the worker or participant for whom services were provided.

Every timesheet requires two approvals- one by the Worker and one by the Employer. Once a timesheet has been created and submitted, the individual remaining to complete the approval can access Connect in order to approve. When a timesheet is pending the Employer or Worker review, it will be locked for edits.

1. Access Connect/ the timesheet following the same steps 1-4 listed above. Once there, you will have a few options.

Approve:

Selecting "Approve" is your attestation as an employer that all of the shifts are correct and true. It is important for you to review the shifts for accuracy because you are the employer and responsible for all aspects of scheduling and managing your worker(s). Once you approve, the timesheet will be submitted to Palco for processing and payment. Palco will complete the necessary checks and validations to ensure payment is approved.

Reject:

Selecting "Reject" will deny the timesheet and send it back to the worker for corrections. You should only reject a timesheet if it is incorrect and requires an edit. Make sure the updates are done timely and resubmitted to you so you do not miss the payroll deadlines for pay day.

Please ensure you have reviewed the published payroll schedule including the date/time when all time must be submitted in order for workers to receive timely payment.

Timesheet Statuses are available so you can quickly and conveniently see the payment processing stage of a timesheet. An employer can see the status of all timesheets for their workers and workers can see the status of any timesheet they have submitted in the Connect application's "Timesheet Overview" screen. Consult the chart below for status definitions.

Status	Description
Open	A timesheet has been started by the Employer or Worker and is being edited. Only the person who started the timesheet can edit.
Under Employer Review	Time has been submitted to the Employer for approval.
Needs Resolution	The Employer has rejected the time and sent it back to the worker for correction. Changes can be made to the time at this stage.
Under Palco Review	Time has been approved and submitted by the Employer to Palco. Palco is performing validations on the time to ensure it is payable.
Approved for Payment	Time has passed all Palco checks and validations. It is going through the final step of billing before it can be paid.
Paid	The timesheet is closed and paid.
Rejected	Palco rejected the timesheet for the reason listed in the portal. No changes can be made. To correct, a new timesheet must be started via Connect and will be recorded as an edited timesheet facing the same warnings as listed above.

SECTION TWO: VENDOR PAYMENTS

This section will provide valuable information for programs that authorize vendor payments. Connect grants employers the ability to create their own payment requests and view the payable history.

SECTION FOUR: CALCULATOR TOOL

The Cost Estimation Calculator is an interactive calculator tool that employers can use to estimate and plan timesheet expenditures. Employers can navigate to the calculator by clicking on “Spending” and clicking “Cost Estimation Calculator.”

The screenshot shows the 'Cost Estimation Calculator' interface. At the top, there is a navigation bar with 'PALCO CONNECT' logo and menu items: HOME, TIME ENTRY, ENTER PAYMENTS, PAY HISTORY, SPENDING, WORKER INFO, and DOCUMENTS. Below the navigation bar, there are two tabs: 'Period Spending' and 'Cost Estimation Calculator'. The main heading is 'Cost Estimation Calculator'. A text box explains the tool's purpose: 'Our interactive calculator is a tool to assist with managing the self-directed budget. To arrive at a cost for the budget, enter the pay rate, cost percentage (inclusive of tax, Workers' Compensation, and other benefits, if appropriate), and hours worked in the time span you are planning. If you are entering non-taxable wages (e.g., there is no employer tax associated with hiring this worker; for more information on why this might happen, visit IRS Publication 15), or vendor payments, please enter "0" in the Employer Cost section. Specific rates and costs associated with workers can be found in Worker Info.' Below this is a table with columns: Pay Rate, Employer Tax Cost %, Hours, and Total. An example row shows: Example, \$10.00, 5.25%, 3, \$31.58. There is an 'ADD ENTRY' button and an 'Estimated Total' field showing \$0.00.

Pay Rate	Employer Tax Cost %	Hours	Total
Example \$10.00	5.25%	3	\$31.58

Estimated Total: \$0.00

Instructions are provided to assist the employer while using the tool. Users can insert multiple pay rates, cost percentages, and hours worked in a each field to gather an estimated total of funds. This calculator can help in determining pay raises, employer cost, work scheduling, and overall budget maintenance.

Example:

This screenshot shows the 'Cost Estimation Calculator' interface with multiple entries. It includes the same navigation bar and explanatory text box as the previous screenshot. The table below has four rows of data. Each row has a set of control icons (minus, edit, and toggle) to the left of the 'Pay Rate' column. The 'Estimated Total' is now \$1726.10.

Pay Rate	Employer Tax Cost %	Hours	Total
Example \$10.00	5.25%	3	\$31.58
\$20.00	5.25%	40	\$842.00
\$15.00	5.25%	40	\$631.50
\$21.00	5.25%	40	\$884.10

Estimated Total: \$1726.10

Each new line can be deleted, edited, or excluded from the estimated total by using the tools shown here.

SECTION FIVE: VIEWING REPORTS

Two of those features are Spending Summaries and Payment Details. Both of these reports can be accessed by logging in to the Connect Portal: <https://connect.palcofirst.com/>.

Spending Summaries provide the employer quick information to help you easily track your utilization.

Payment Detail provides both the employer and worker access to pay stub information and history.

How can I tell where my timesheet is at in the process?

The timesheet status is visible in Connect and will tell you where your timesheet is at in the process. You can view a list of statuses and their meaning on Page 8 of this user guide.

I am trying to register for Connect but I don't have my Palco ID.

For assistance with registering for Connect or verifying data elements for registering, contact Palco. You can also check your email to see if you received a notification from Palco containing your six digit Palco ID.

I went in to Connect to edit my time and it is locked, how come?

Check the status of the timesheet. Once time has been submitted to the Employer, it is locked for editing. The Employer must either reject the timesheet back to the Worker or approve it. A timesheet can only be open under one individual at a time.

How do I know when my timesheet will be paid or if it is payable?

Refer to the payment schedule located on the Palco website to determine when the specific pay period is scheduled to be paid. You can monitor the timesheet status to tell you where it is at in the process at any time by accessing the timesheet record in Connect.
